THE Republican is standing pretty ing news on the passenger rate war. uprightly for reform in the city adwho was living twenty years ago in It is stated that \$11 is the rate to ministration at Omaha. The whole Chicago, \$5 to St. Louis, and \$24.50 to state of Nebraska has a deep interest in the affairs of the metropolis, and must feel like holding up the hands of those who are endeavoring to and if the two get together in the make clean the foul places of the city. Mayor Chase, we are sorry to say, has been far from a pink of perfection don Friday in New York to buy both the discharge of the duties of his important office. The remainder of the state has this natural interest in Omaha, that they desire to see it the best city, in every respect, in this western country. Absolute perfection cannot be expected, of course, but, for the sake of the state, Omaha must cease to be known as "a national asylum for thuge, gamblers, confidence men, sluggers, burglars and murderers," a city whose morals would disgrace a Zulu battle field or a Hottentot wedding," a city where a brutal prize fight can be provided for with impunity, a city with scores of "gambling-hells and whiskey-dives and houses of prostitution" running against the law, and to the ruin of hundreds of unwary or weak victims. As the Journal has said of matters here, so we are glad to see the Re-

publican strike the key-note, Enforce

the laws. This is the sovereign rem-

THE Norfolk Journal does itself no credit by distorting the action of the state convention at Lincoln into an implied instruction for Arthur. Mr. Blaine was the first choice of the convention and the delegates elected declared their first choice to be the Plumed Knight. No delegate could have been elected had it not been known that he was for Blaine, yet THE sheriff of Brown county many of that statesman's friends were assed through O'Neill, Neb., the opposed to tying the hands of the delother day for Fremont, with Ora egates by even resolutions of prefer-Webb, who is held for the shooting ence, and one Blaine speaker, Mr. young Lucus, charged with being a vote was in no sense a defeat of Mr. member of the notorious "Kid" Blaine, and was not so considered except by the most ultra administration men. We know of enough THE "cannon ball" east-bound pas- Blaine men who voted to table the senger train whose schedule time is resolution to have changed the result proving the republican administration preference for Mr. Arthur at Chicago would have been defeated by a vote of more than two to one.-Hastings

THE following special was sent out from Omaha to the daily papers, May 13th. We give it as showing the bad state of morals of the metropolis of

"James Fell, of Rich Hill, Missouri and Jack Hanley, of Leadville, fought with bare knuckles for a purse of clared winner on a foul in the twenty-Thos. Leonard was waylaid the game and hard fighters. The battle other morning at Nebraska City, Neb., ground was just across the Platte and brutally murdered and robbed of river bridge on the Republican Valfree fight on the train and three men were shot. The cars were running mashed to a jelly. No clue as yet to twenty miles an hour just west of Midland, and the passengers all jumped rather than be shot. John Rauch, one of the wounded men, will probaon his knee, gave it a heavy blow were terribly excited the other day bly die. John McClellan, a saloonwith his mallet, sending the chisel by what they supposed to be an earth- keeper of Omaha, was shot through into the joint, letting out the joint quake. A terrible crash was heard the shoulder. It was the most terrible crowd of bad men that ever left

the city on a similar occasion.' WE are going away from home now the preferences of the district delegates elected from Nebraska as follows: "Mathewson is for Edmunds first and Arthur second. McCall is for Arthur first and last, and of the other four district delegates Reed and Burton are for Arthur. Scott is for Gresham first and Arthur second." Church Howe is omitted from the list, but this doesn't matter, as it is generally understood that he is for Howe. Add to the six district dele-8 and 12 o'clock the money was taken. gates the four elected as delegates at large, and it will be a puzzle for anyone to solve the presidential preferences of the delegation .- Beatrice of, in a different manner, in the Jour-

THE COLUMBUS JOURNAL is in hopes, f Blaine fails to reach the goal of his ambition at Chicago, that Gen. W. T. Sherman will be the man chosen as the standard bearer of republicanism in the campaign of 1884. Our Bro. Turner, being an Ohio man, still wishes to see the sceptre wielded by the Buckeye state.

Bro. McCune, of the Stromsburg Republican, is assured that in making the suggestion, we had no thought of locality--General Sherman is, in a very strong sense, an American citizen, a representative American citizen in whom we all have confidence, a man who has a full mind of his own,

nominate a candidate for congress, very shortly after the national convention. There is no rushing demand in the district for so early a convention as that, and we think it would be a wise policy to walt until after the state convention. Some excitement exists in New

York relative to the money market on account of recent failures in that city, and it is stated that at least one hundred telegrams from New York have been received by members of congress recently urging immediate with pleasure.—Hastings Journal. | slightest reason for any uneasiness. | H. Fedderson, w. d. \$225; part ne 1/2 ne 1/2 Augusta, Maine.

Enforcing the Laws. Hanley, the prize fighter, was arrested at Plattsmouth, taken to Wahoo, and plead not guilty to the criminal charge preferred against him. A requisition has been obtained for Fell, Nebraska penitentiary, anywhere from one to ten years, for their exhibition of brutal strength, it will certainly be a timely lesson to them and a warning to others of their kind s 1/2 ne 1/2 and n 1/2 se 1/2 17, 20, 1e, 16) to steer clear of Nebraska, at least of acres. that portion of it wherein Col. Marshall does the prosecuting of alleged criminals. It cannot be reiterated too often by the press and people of the state that the sovereign remedy against social evils is the faithful execution of the laws, the punishment of those who violate them, and public execration of the officials who fail, neglect or refuse to do their whole duty in the interests of the law-abiding, peaceable, honest, wellmeaning public. These groveling, acres. flesh-pounders happened to strike the only county in the neighborhood of Omaha where a grand jury were in session, and the promptness with which the machinery of the law has been put into motion is commendable.

THE senate committee on foreign relations received the other day an informal report from the sub-committee on the exclusion of our meat products from foreign countries. The sub-committee recommend that a bill be passed authorizing the President to retaliate upon the countries which discriminate against the United States by suspending imports from such countries, in whole or in part, and that there be established a system of decided in putting up a good frame inspection of the qualities of our meats, as well as the quality of imported articles suspected of adulteration. The sub-committee is on the right track.
